NOTE: Most SLCCC programs have been designed to meet the requirements in Missouri regulations for Professional Development Hours (PDH) and the AIA guidelines for Learning Unit (LU) hours. For each program, the Council produces a certificate for participants, stating the title, date, instructor, content and number of PDH and LU hours the program should qualify for. Records are kept at the Council office and certificates can also be received after the program.

For information on sponsoring Council education programs, contact the Council office.
